**Re: IUVSTA Prize for Technology**

Dear Prof. Taeghwan Hyeon,

It is my great pleasure to let you know that the IUVSTA Executive Council Meeting # 122 has approved, on April 17<sup>th</sup>, 2016, the nomination proposed by its Awards and Scholarships Committee concerning the IUVSTA Prize for Technology. You are the recipient for this 2016 Prize!

I like to convey to you the congratulations of all the participants to ECM 122. Congratulations!

The IUVSTA Technology Prize is awarded to recognize and encourage outstanding internationally-acclaimed research in the fields of interest of IUVSTA.

The Prize consists of a cash award, a struck medal and a certificate setting forth the reasons for the award and will be presented at the IUVSTA triennial International Vacuum Congress, IVC 20, August 21-26, 2016 in Busan (Korea).

Your citation will read: "...for outstanding contributions in the scalable production of uniformly sized nanoparticles with precisely controlled compositions and dimensions as well as pioneering research in the design of metal oxide nano particles for medical applications".

And you will be invited to deliver a plenary talk at IVC20, Busan.

Looking forward to meeting you in Busan, I remain  
Sincerely,

Mariano Anderle  
IUVSTA President
